## Dependence vs Addiction

Identify stigma around Substance Use Disorder via Faces of Recovery

Learn about types of Recovery Support Services

- Brandon George -

Brandon George is the Director of Indiana Addiction Issues Coalition (IAIC), which advocates for addiction through public policy and education. Brandon is a committee co-chair on Attorney General Curtis Hill's Drug Task Force, a member of the advisory board (MHAPAC) for Indiana's Division of Mental Health and Addiction, and is on the Expert Panel for Indiana University School of Medicine's Project ECHO. Brandon is also a person in long-term recovery from SUD/OD.
