

## *Season's Greetings from IAIC!*

As we look back over the past year, there are so many successes in the work we do together in Indiana, and none of these would be possible without all of you!

### *2021 Highlights:*

- IRN's Regional Recovery Hubs have provided services to over 60,000 Hoosiers from April 2020 to November 2021 through community based certified peer support professionals.

- Recovery Month was a big success with over 30 events statewide.  
• [\*The new IAIC website is coming in January 2022, stay tuned for more opportunities to get involved with recovery month events!\*](#)
- For the first time in history, the 2022 federal budget proposal includes a first of its kind 10% set aside funding request for recovery support services.  
• [\*Learn more about the budget funding request\*](#)
- The city of Austin in Scott County voted to keep syringe service program going after county officials took action to close down the Scott County program at the end of the year.  
• [\*Watch the news coverage video\*](#)
- The Office of National Drug Control Policy addresses the overdose epidemic with discussing focus areas that include online recovery supports and harm reduction for first time ever.
